#### **DID YOU KNOW?**

- On average 6000 wildlife patients are admitted each year
- The majority of patients are victims of car accidents and domestic pet attacks
- Up to 100 koalas can be in care at any one time
- The biggest threat to koalas after habitat loss is chlamydial disease
- The Rescue Unit responds to wildlife emergency calls seven days a week.

### WHEN YOU SUPPORT AUSTRALIA ZOO WILDLIFE WARRIORS YOU CONTRIBUTE TO:

#### Australian Projects

- Conserving grey nurse sharks on the east coast of Australia
- Helping save Australia's national icon the koala
- Unlocking secrets about the saltwater crocodile
- Caring for sick, injured and orphaned native wildlife at the Australia Zoo Wildlife Hospital.

#### **International Projects**

- Protecting rhinoceros in Kenya
- Educating communities that live with Cambodian elephants
- · Saving cheetah in South Africa
- Protecting the last Sumatran tigers
- · Monitoring the illegal wildlife trade in South-East Asia.
